

**I am**

*by Tuță Ștefania, 5A*

English teacher: Simona Popescu

I am the only one who can be  
The tear in my own sea.  
I am the one who can look at the skies  
And see the stars dancing in their eyes.  
I am the one who can see the light  
In a dead, dark night.  
I am the only star in my skies,  
A star who never cries.

**I am**

*by Solomon Oana, 5A*

I am made of dew and tears,  
I am a creature of a dream,  
I am a delight, a sunbeam,  
I am a poem that has not been written yet.

**I am the one**

*by Chimoiu Daria, 7C*

I am the one who can see the light  
And let it shine in the darkest night  
I am the one who thinks that after a hurricane  
There comes a wonderful rainbow.  
I am the one who thinks that maybe  
It's your time to lift off and fly  
You won't know if you never try.  
I am the one who believes that  
The bluest sky  
Can sometimes cry.  
I am the one who thinks  
That you mustn't let anyone  
Tell you that you're not good enough.  
I am the one who is sure  
That you'll be fine  
As long as you're mine.  
I am the one who knows  
That I've got a diamond inside my heart

**I am**

*by Stoica Rareș, 5A*

I am just a child,  
I am a little wild,  
But I'm not allowed  
To climb on a cloud.

I am a little boy  
And I wish a toy  
For me and my sister  
I'm telling you in whisper...

**I am**

*by Popa Anca, 7C*

I am as pure as a melody,  
As strong as a family.  
I am as cool as a tree  
As buzzed as a bee.  
I am as free as a bird  
As neat as a word.  
I am as happy as a smile,  
As old as time.

I am everything at once.

**I am**

*by Dobre Mihaela, 7C*

I am little shining star  
That still keeps childhood in her heart.  
I am a fragile silver dust  
That cries inside, but always smiles outside.  
I'm coming from a golden soul,  
From my mother  
And from a lovely guardian soul,  
My father.  
I love every minute I live  
And everything around me.  
I always smile and for me  
A day is never enough  
If I could do everything,  
I would fly to my star  
I would touch it and make my dream  
Come true.  
I almost forgot!  
Miha is my name and singing is my game.

A light that brightly shines like the stars.  
I am the who knows  
I have so much to give  
A change I want to live  
I am the one who believes that  
I can start a new life  
Maybe tonight  
I am the one who thinks  
That after all this laugh  
Being yourself is more than enough.

**I am...**

*by Mitrică Edwina, 7C*

I am young and scared  
Of the world that is out there.  
I wonder why I hear an imaginary sound...  
I don't want to be scared  
And confront the world that is out there.

I don't pretend to care  
About what people think,  
But I feel pain and bad things  
I understand what others feel.

I say things that I regret,  
I hope that doesn't hurt.  
I don't try to be someone else  
And I want nothing to change  
I love the way I AM  
Even if I'm young and scared.

**I'm**

*by Radu Bianca, 7C*

I am the smallest part of the whole rainbow  
I'm the first ray of the sun that shines above all  
I'm the first drop of rain falling  
I'm the infinite happiness of the loved ones  
I'm the precious treasure of my mother and father  
I'm the Little Red Riding Hood from Brothers  
Grimm's fairy tale  
I'm the most fragile musical note on the stave  
I'm a slow breath of wind  
I'm sweet minutes spent with friends  
I'm my mother's brown eyes  
I'm the greatest sister of spring and the sweet  
daughter of time.

So... I guess that's all about me.  
I love people, but I always get hurt  
I smile and desperately love every minute of my  
life  
I am just a girl with big dreams, but I believe that  
they will come true.  
I am Miha.

**I am...**

*by Surugiu Bogdan, 7C*

I am a child  
I am a boy from a planet called "Wild"  
It is as red and beautiful as Mars  
It is but one among the many stars.

I am a teenager  
I am the one whose name is Messenger  
My messages of beauty, spring and light  
Are being whispered in the dreams at night.

I am a man  
I am a soldier and a gentleman  
I learn, and speak, and laugh and cry  
I am a child, a teenager, a man, I am an "I".

**I'm**

*by Mărgăritescu Alexandru, 7C*

I'm as old as time,  
As happy as a smile.  
I'm as cool as a skate,  
As strong as a family.  
I'm as awesome as a diamond,  
As fresh as a lemonade.  
I feel good like a sound  
And pretty like a star.  
I'm sensible like a flower  
My emotions live like a power.

**I am**

*by Pasmangia Ovidiu, 7C*

I am the apple of my parents' eye  
I am that face in the crowd  
I am somebody  
I am someone  
I am a traveler through life.

I am not what I seem to be  
I am more than that  
I am a decent Christian  
I am a normal boy  
I am what I am  
And that's that!

**I am**

*by Corcău Adina, 5A*

I am like a flower that arises after rain,  
I am like the sky without clouds,  
I am like the flight of swallows,  
I am the most beautiful.  
I am the tear gently falling on my mum's face  
when she is sad.  
I am the spring that rises from a bud in a sunny  
morning.  
I am unique like every snowflake that falls in  
winter.  
I am like a sunrise that brings tears and  
tenderness, but also joy  
In the hearts of birds flying and singing incessantly  
About love.  
I am a child who lives every moment of her  
childhood with the loved ones.  
Always remember you have to be yourself.

**I am**

*by Teau Daria, 7C*

I'm a sunshine coming from your heart,  
I'm the light in the dark,  
I'm the way that you should choose,  
I'm not a part of what you'll lose,  
I'm a star in the sky,  
A star that doesn't cry  
And always smile.  
I'm a friend for a lifetime

**I'm**

*by Gheorghe Alexandra, 7C*

I'm a willow in the summer  
I'm a river in the autumn  
I'm a snowflake in the winter  
I'm a snowdrop in the spring  
I'm a sunflower in the sun  
I'm a sparkle of a star  
That at night lights your life  
I'm a doe in the enchanted forest  
I'm an owl in the night  
Whose eyes sparkle like millions  
Of diamonds in the spotlight.

**I'm**

*by Ristea Raluca, 7C*

I am the sunshine that brights your way  
I am the beautiful sound that you hear every day  
I wake up every morning and smile  
Look at the window and say: "This is my good life!"  
  
I am courageous and I don't care what people say  
I believe in myself and I try to find my way  
I am active and I like doing new things every day  
I'm sociable and I hope I'll be a star on Broadway.  
  
Sometimes I'm lazy, I get bored  
I feel scared, I feel ignored  
But that's the normal life that everyone has  
I keep calm and I try to do my best.

**I'm**

*by Cerban Corina, 7C*

I'm the sun that shines in your eyes,  
I'm the sun that brings you butterflies,  
I'm an image that shines into your eyes,  
I'm a brilliant that loves your eyes.  
  
I'm a diamond that shines in your life,  
I'm the diamond of your life.  
I bring you light, you bring me life,

Here and miles apart.  
I'll always be in your heart.

### **My world**

by *Bică Sorina, 7C*

I'm a little radius of the mighty sun  
I'm a musical note on the stave  
I'm April in the calendar  
I'm a small star in the infinite universe.  
I'm a rose in my mother's garden,  
I'm a small part of endless happiness.  
I'm colour blue in the magnificent rainbow,  
I'm what no one can change  
I'm a part of my world.

### **My wonderful butterfly**

by *Ana Leoveanu*

Class 5A

American English teacher: Kathleen Stocking

My butterfly is red like the fire and black like  
the mysterious deep in the night.  
His voice is like an undefined sound, a magic  
one, and one that normal people don't  
understand.  
His voice is like an echo in the noise.  
He is like the Easter and the Christmas.  
His back shines like the morning dew on the  
leaves.  
His head is black like the old cut wood in the  
forest.  
The tails of his wings are like the snow  
wandering in the air, telling me to keep calm.

I will take my butterfly to a plain and give him  
some ice cream.  
With my peaceful soul I shall drive my  
enemies away.  
Let my enemies come somewhere where they  
can find peace without thinking about bad  
things.

Everything in your eyes.

### **I am...**

by *Vidică Flavia, 7C*

I am the smile of the stars,  
I am the sky with its blue clouds  
That brings colour in your life every day  
And it becomes like a holiday.

I am the sun that hides in your soul  
And does not let you fall  
I am the dew of every morning  
Which wakes you up from things boring .

I am the light from the darkness of the nights  
Which brightens your paths  
I am, yes I am all of these  
So, keep me in your heart, please!...

### **Where I'm From**

By *Alex Brăcău*

Class 8D

American English teacher: Kathleen Stocking

I am from my old toy bunny from Noriel  
And from my grandfather's Harley motorbike  
I am from the round window of my bedroom  
Where I watch over the cobbled streets below  
From the great linden tree in my grandma's  
backyard  
And from the huge magnolia on the front lawn.

I am from honoring my grandmother's death  
with coliva

From my great-aunt Freda and my great-uncle  
Kraskovich

I am from going to the park every weekend,

From, "Eat the onion," and "Wash your socks"

I am from Mircea cel Batran and the churches  
he built

That place belongs to me and my butterfly.  
My dear butterfly, eat and drink here at the  
river.  
I am here to guard you with my peaceful soul.

And from Mihai Viteazul, the Ban of Craiova.

I am from the cold northern lands of Russian

And from the green fields of the Olt and Jiu,

From my mother's chocolate ice cream cakes

And from the earthquake in 1977

When my grandmother lost her gold bracelet.

I am from the people who rejected me

And the people who accepted me,

From the people who forgave me and those  
who did not

From the people I forget and those I'll always  
remember

From the love of my friends and my family

And from everything alive on this planet.
